Reducing Southside energy demand

Energy officer – part time (22 hours per week)

Job description

- Project aims:** To reduce the energy consumption across the Southside (Govanhill, Crosshill, Queen's Park, Strathbungo, Pollokshields East and Mount Florida) by working with residents, businesses and schools.
- The project will provide impartial advice on energy efficiency, fuel bills and fuel poverty. Residents, businesses and schools will be supported to take achievable actions following face to face audits.
- Reporting to:** Senior energy officer
- Responsible for:** Supporting the senior energy officer with the delivery of the home and business energy auditing programme. Support the South Seeds team engage residents and businesses on energy issues.
- Main relationships:** Residents, local businesses, energy suppliers complaint teams, Warmworks, Resource Efficient Scotland, Home Energy Scotland and Govanhill Housing Association.
- Funded by:** Scottish Government Climate Challenge Fund

Scope of the job

- Reports to senior energy officer
- Promote South Seeds energy demand reduction measures
- Maintain integrity of home energy and business audit programme
- Organise and participate in community engagement opportunities
- Develop and maintain relationships with delivery partners
- Carry out data collection for evaluation and monitoring of all visits

Duties and key responsibilities

- Promote the energy audit service through co-organising and delivering a programme of regular engagement opportunities such as: meetings and events for residents and stakeholders in the area.
- Undertake energy audits in residents' homes and provide energy advice including a bespoke written report for each visit.
- Maintain relationships with delivery partners, such as Resource Efficient Scotland, so timelines are met.
- Maintain relationships with clients and help them with the implementation of any energy saving measures.
- Keep up to date with the energy saving support available, the eligibility of energy efficiency schemes and fuel poverty payments.
- Produce factsheets, films and promotional material where necessary.

Personal training and development

- Undertake appropriate training where necessary

Full time hours are 37 per week. Your salary will be £24,000 per annum pro rata. You will work 22 hours a week over at least three days. South Seeds offer an employer's contribution to a personal pension scheme, of 5% of annual salary. You will be entitled to 34 days holiday per year (pro rata), this includes bank holidays. South Seeds encourages flexible working, and in return expects an ability to work occasional evening and weekend hours.

The contract will run until 31st March 2018 and may be extended if further funding is secured. Your place of work will be the South Seeds office, on Victoria Road (Glasgow). South Seeds preference is that work is completed at a fixed time each week by agreement in advance.

How to apply

Please complete the South Seeds application form available on our website and send it to lucy@southseeds.org by noon on Thursday 29 June 2017. We prefer to receive applications in an electronic format, so we can be assured you know how to use email effectively and the applications can be shared with the interview panel electronically. Please note that the interview panel will only shortlist applications on the information contained within the application form.

Interviews are planned for Tuesday 11 July 2017, and we will endeavour to inform those selected for interview by 6pm on 5 July.

If you would like to speak to someone about this post, please call the South Seeds' project manager, Lucy Gillie, on 07790 119021 (available anytime, including evenings and weekends).
