South West Govanhill Raising and Meeting Aspirations

Energy officer – part time (15 hours per week)

Job description

Project aims: To reduce the energy consumption across Govanhill, by working with residents.

The project will provide impartial advice on energy efficiency, fuel bills and fuel poverty. Residents will be supported to take achievable actions following face to face audits in their homes.

Reporting to: Senior energy officer

Responsible for: Supporting the senior energy officer with the delivery of the home energy auditing programme. Support the South Seeds team to engage residents on energy issues.

Main relationships: Residents, Govanhill Community Development Trust, energy suppliers' complaint teams, Warmworks, Home Energy Scotland and Govanhill Housing Association welfare rights team.

Funded by: Aspiring Communities Fund with support from the European Social Fund.

Scope of the job

- Reports to senior energy officer
- Promote South Seeds energy demand reduction measures
- Maintain integrity of home energy audit programme
- Organise and participate in community engagement opportunities
- Develop and maintain relationships with delivery partners
- Carry out data collection for evaluation and monitoring of all visits

Duties and key responsibilities

- Promote the energy audit service through co-organising and delivering a programme of regular engagement opportunities such as: meetings and events for residents and stakeholders in the area
- Undertake energy audits in residents' homes and provide energy advice including a bespoke written report for each visit
- Maintain relationships with delivery partners, so timelines are met
- Maintain relationships with clients and help them with the implementation of any energy saving measures
- Keep up to date with the energy saving support available, the eligibility criteria of energy efficiency schemes and fuel poverty payments
- Contribute to promotional material where necessary

Personal training and development

- Undertake appropriate training where necessary

--	--	---

Full time hours are 37 per week. Your salary will be £24,000 per annum pro rata. You will work 15 hours a week over at least three days. South Seeds offer an employer's contribution to a personal pension scheme, of 5% of annual salary. You will be entitled to 34 days holiday per year (pro rata), this includes bank holidays. South Seeds encourages flexible working, and in return expects an ability to work occasional evening and weekend hours.

The contract will run until 31st March 2019 and may be extended if further funding is secured. Your place of work will be the South Seeds office, on Victoria Road (Glasgow) although you will hold sessions at the Govanhill Community Development Trust shop on Allison Street and at other places around the area. South Seeds preference is that work is completed at a fixed time each week by agreement in advance.

How to apply

Please complete the South Seeds application form available on our website and send it to lucy@southseeds.org by 2pm on Friday 16 March 2018. We prefer to receive applications in an electronic format, so we can be assured you know how to use email effectively and the applications can be shared with the interview panel electronically. Please note that the interview panel will only shortlist applications on the information contained within the application form.

Interviews are planned for Friday 23 March 2018, and we will endeavour to inform those selected for interview by 6pm on 20 March.

If you would like to speak to someone about this post, please call the South Seeds' project manager, Lucy Gillie, on 07790 119021 (available anytime, including evenings and weekends).
