SEPA does not issue a formal certificate for this type of registration but this letter is to confirm that you are registered as a professional Collector or Transporter under paragraph 12 of Schedule 4 of the Waste Management Licensing (Scotland) Regulations 2011.

Note: The registration as a Professional Collector and Transporter of waste is only applicable for charities or voluntary organisations, a Government Department or Council, a business who normally and regularly transports their own waste, carrying only Animal By-Products, carrying only Mines and Quarry waste or carrying only Agricultural Waste. If you do not fall into one of these categories then you need to be registered as a waste carrier, for example a business carrying other businesses waste must be registered as a waste carrier.
